KETCH • TARC Industries

[www.ksstateuse.org](http://www.ksstateuse.org)

Manufactured and offered by Kansans who are blind or severely disabled.  
When you purchase products and services from the companies listed in the State of Kansas Products and Services Catalog, you make a difference in the lives of Kansans who are blind or severely disabled.

## General information

This catalog is published in compliance with K.S.A. 75-3317 through 75-3322, “The Kansas Use Law.” The Kansas Director of Purchases has found the items in this catalog to be consistent with “The Kansas Use Law” and has therefore designated them for mandatory purchase. The intent of “The Kansas Use Law” is to help provide employment for Kansans who are blind or severely disabled. Purchase of products and services from these exceptional Kansans helps them be a productive force contributing to the economy of our State.

## Benefits of the program

- Yields meaningful employment and training
- Compliments and encourages efforts to deinstitutionalize people who have disabilities
- Advocates self-sufficiency for those with disabilities
- Reduces cost of service care for people with disabilities
- Encourages community involvement and support of people who have disabilities
- Supports efforts for a good business approach to spending vocational rehabilitation dollars
- Increases tax base
- Decreases tax requirements
- Stimulates growth of Kansas local economy
- Ensures continuity in the supply of needed services and products to customers
- Provides opportunity for State agencies to contract for services at a lower cost than in-house services
- Promotes productivity in vocational rehabilitation centers

## A summary about Kansas law about purchasing

### Summary of K.S.A. 75-3321

The Director of Purchases and any person or officer authorized to purchase materials and supplies for any State agency or Unified School District operating in Kansas, or to purchase services for any agency within Kansas State government, shall purchase, from the catalog, “Products and Services Manufactured and Offered By Blind and Severely Disabled Kansans,” at any time when the listings in that catalog will meet the needs of the agency or school district.

### Summary of K.S.A. 75-3322

Whenever the qualified vendors represented in this catalog are unable to supply the products or services needed, or are unable to meet delivery requirements on any purchase order or requisition, a written waiver request shall immediately be forwarded to the Director of Purchases by the state agency procurement officer or purchasing officer of the Unified School District. If approved by the Director of Purchases such waivers shall relieve and exempt the state or Unified School District from the purchasing requirements set forth in the relevant Kansas laws (K.S.A. 75-3317 and 75-3322). The waiver granted shall apply only to the case of the specific purchase order, request or requisition.

## Request for State Use Program waiver

The Kansas State Use Program is governed by statutes (K.S.A. 75-3317 through 75-3322) which include some provisions for waivers. To find out more, please visit the following website.

Waiver Request Form: [www.da.ks.gov/purch/StateUseWaiverRequestForm.doc](http://www.da.ks.gov/purch/StateUseWaiverRequestForm.doc)

# State of Kansas 2013 Products and Services Catalog

## Our Policy

We place strong emphasis on the quality and reliability of our products and services. Our products and services are guaranteed to give satisfaction.

If there is a factory error, the qualified vendor will issue proper credit or replacement after receipt and inspection of goods. Freight will be paid by the qualified vendor if a factory error was made. Feel free to write or call with any comment. You will receive fast, personal attention. We want you to be as pleased as we are with the efforts of our facilities.

Filters, Industrial Air	50-51		

## Live Link Instructions

Each of the vendors pages within this catalog are live linked back to their respective website. If you are connected to the internet while going through the catalog and desire more information about the company, contact information or ordering information, simply click the page as you would a link on any web page and you'll be directed to that specific vendor's site. (Some of the vendor pages have more than one link to multiple websites.)

As in past years, you may place orders by contacting the vender directly, using their individual sites if they have online ordering capabilities, or you can refer back to the Kansas State Use website ([www.ksstateuse.org](http://www.ksstateuse.org)). If any additional information is needed about products or services, be sure to contact the vendor directly.

CK brand Laser cartridge warranty is 12 months from date of purchase, CK brand inkjet cartridge warranty is 6 months from date of purchase and new OEM cartridge warranty is 3 months from date of purchase. A Return Authorized number (RA#) obtained by calling Cartridge King of Kansas must accompany all warranty returns.

## CK Introduces SOY Based Toner Cartridges for 2013

- ◆ **Resin**, as the main ingredient in all printer toners, comprises 50 to 90 percent of toner. The use of renewable resources is significant as toners currently being produced using BioRez have biomaterial content of at least **35 percent**. In contrast, all other commercially available toners are petroleum-based products or have insignificant amounts of biomaterial content.
- ◆ Bio-based toner is comparable in quality and cost, does not require any modifications to printers or toner cartridges and can be used in any laser-jet printer or copier. Consumers can look for toner cartridges marked BioBlack™ or BioRez to ensure they are purchasing environmentally friendly toner.
- ◆ The 2007 worldwide toner market was \$17 billion. Using this figure, if the entire market were to utilize soy-based toner, 302.4 million pounds of soybean oil would be needed. This equates to 26.8 million bushels of soybeans and increased potential for the commodity crop.

### Cartridge King has 6 SOY Based Toners:

HP 4100 (10,000 Yield)	C8061X	\$83.50	LaserJet 1010, 1012, 1018, 1020,1022 Series, 3015mfp, 3020, 3030, 3050, 3052, 3055 (2,000 Yield)	Q2612A	\$57.00
HP LJ P4015 Series, LJ P4575 (10,000 Yield)	CC364A	\$90.00		HP 4240, 4250, 4350 (10,000 Yield)	Q5942A
HP LJ P4015 Series, LJ P4575 (24,000 Yield)	CC364X	\$117.38	HP M2727, P2014, P2015 (3,000 Yield)	Q7553A	\$66.00

For more than a decade, the STMC symbol has been the remanufacturing industry's indicia of quality. Like Good Housekeeping's seal of approval, it lets the end-user know that his mono-chrome laser cartridge has been tested to specific standards.

STMC stands for the Standardized Test Methods Committee. This global committee formed in 1998 to find and promote standardized test methods for the printer cartridge industry.

As of today, more than 250 companies have been STMC certified in more than 50 countries. The International Imaging Technology Council (Int'l ITC) administers the STMC program, assures its proper usage and polices against misuse of the STMC program and logos

Guidelines for the return of Inkjet cartridges, Laser cartridges, Fax and Multi Functional Imaging machine cartridges purchased by State Agencies, Universities and Unified School Districts. The approved State Use Vendor is:

**Cartridge King of Kansas, Inc.**

**Recycle ALL Printer Cartridges**

Since disposal of printer cartridges adds to the tonnage of solid waste in landfills and can contribute to the depletion of natural resources, state agencies, universities and school districts should recycle printer cartridges whenever possible.

When a printer cartridge is empty, DO NOT throw it away. Returning empty toner cartridges to Cartridge King reduces cartridge remanufacturing cost and waste in our landfills.

**To promote the state’s printer cartridge remanufacturing program, all cartridges used by State agencies and school districts should be remanufactured whenever possible. Order a remanufactured toner cartridge unless one of the following conditions apply:**

1. Adequate market research establishes that remanufactured cartridges do not exist for the type of equipment used by consumer.
2. The price with the same page yield offered for the remanufactured cartridge is higher than a new cartridge from the Original Equipment Manufacturer (OEM).
3. Remanufactured cartridges are not available in quantities needed within the time frame required by the consumer.

## Soft refuse applications

Great for office, kitchen and bathroom applications

The high molecular weight of the **high density (HDPE)** polyethylene resin produces an economical liner that is approximately 1/3 the weight of traditional can liners. The use of fewer raw materials returns less plastic to our environment. Great load bearing capabilities.

Capacity (Gallons)	Part No.	Size	Gauge (Microns)	Max Load (Pounds)	Strength	Color	Quantity Per Case	Price
4	HD4L	17" x 18"	6	20	Regular	Natural	2,000	\$21.37
7-10	HD710L	24" x 24"	8	25	Regular	Natural	1,000	\$23.16
12-16	HD1216L	24" x 33"	8	25	Regular	Natural	1,000	\$24.90
20-30	HD2030M	30" x 37"	10	45	Medium	Natural	500	\$21.89
33	HD33M	33" x 40"	9	40	Medium	Natural	250	\$11.73
	HD33H	33" x 40"	11	55	Heavy	Natural	250	\$15.40
40-45	HD4045M	40" x 48"	10	45	Medium	Natural	250	\$18.21
	HD4045H	40" x 48"	12	55	Heavy	Natural	250	\$22.87
55-60	HD5560H	38" x 60"	14	60	Heavy	Natural	200	\$22.86

*Not suitable for sharp or jagged objects*

100% Recyclable • Made with pride by Kansans who are blind or low vision.

# corelessroll can liners

Convenient and cost effective can liners...

designed to be user-friendly

Our **coreless roll can liners** combine high quality with the convenience of an **easy-to-dispense individual roll**. Coreless roll can liners save you storage space. They dispense easily and are available in either puncture resistant (LLDPE) or soft refuse (HDPE) applications.

## Puncture and Tear Resistant – *Linear Low Density (LLDPE)*

Capacity (Gallons)	Part No.	Size	Gauge (Mil)	Max Load (Pounds)	Strength	Color	Quantity Per Case	Price
 20-30	L-303608-K	30" x 36"	0.70	55	Medium	Gray	250	\$20.45
 33	L-333908-K	33" x 39"	0.70	55	Medium	Gray	250	\$23.75

100% Recyclable • Made with pride by Kansans who are blind or low vision.

## EcoDegradable™ bags

Degradable...Biodegradable\*

saves valuable landfill space

Envision's EcoDegradable™ bags will degrade in 18 to 24 months and biodegrade in approximately 36 months depending on sufficient moisture, oxygen and microbial activity present at your disposal site.

\* Will degrade as defined in ASTM D-3826

Capacity (Gallons)	Part No.	Size	Gauge (Mil)	Strength	Color	Quantity Per Case	Price
 13	DGB-13M120	24" x 30"	0.70	Medium	White	120	\$8.39
 30	DGB-30M60	30" x 36"	0.80	Heavy	Brown	60	\$7.28
 33	DGB-33H	33" x 40"	1.10	X Heavy	Green	40	\$8.41
 39	DGB-39M40	33" x 44"	1.10	X Heavy	Brown	40	\$9.22

## ASTM 6400\* Compostable Bags

Compostable...

for the collection of green bin organic waste disposal and commercial composting

Heat and moisture accelerates the degradation process. All ASTM 6400 Compostable products meet the stringent requirements of ASTM D6400 and carry the USCC and BPI certifications.

Commercial degradation is 10 to 45 days and commercial biodegradation is less than 6 months.

Capacity (Gallons)	Part No.	Size	Gauge (Mil)	Strength	Color	Quantity Per Case	Price
 13	ASTM-1545	24" x 30"	0.85	Heavy	Green	45	\$14.23
 30	ASTM-1546	30" x 39"	1.10	X Heavy	Green	48	\$29.06
 32	ASTM-1544	33" x 48"	0.85	Heavy	Green	50	\$31.47
 48	ASTM-1548	42" x 48"	0.85	Heavy	Green	40	\$31.98
 64	ASTM-1547	48" x 60"	0.85	Heavy	Green	30	\$34.08

\* Requires sufficient moisture, oxygen and microbial activity.

Made with pride by Kansans who are blind or low vision.

## Insect Repellent Trash Bags\*

**Puncture and Tear Resistant...** an environmentally sound solution for the prevention of insects and pests invading garbage bag handling and disposal

Our insect repellent trash bags are a recycled linear low and low density product containing **non-toxic and non-DEET** natural fragrance oils. There are **no insecticides** contained in these innovative trash bags making them **safe for food handling establishments**.

The solution for keeping “bugs away” from the trash.

Capacity (Gallons)	Part No.	Size	Gauge (Mil)	Strength	Color	Quantity Per Case	Price

FRM-333	Free Ink Rollerball Pen	0.7 mm	Blue	\$15.03

*Made with pride by Kansans who are blind or low vision.*

## Liquid Impression Markers

The Liquid Impression Marker combines function and style in an attractive, translucent barrel with visible ink supply. Free-flowing liquid ink provides smooth writing, while the tough plastic tip holds up to extended use. Available in extra-fine and medium point. Non-refillable, non-permanent ink.

Part No.	Description	Point	Color	Price Per Each
LIF-111	Liquid Impression Marker	Extra Fine	Red	\$1.16
LIF-222	Liquid Impression Marker	Extra Fine	Black	\$1.16
LIF-333	Liquid Impression Marker	Extra Fine	Blue	\$1.16
LIM-111	Liquid Impression Marker	Medium	Red	\$1.16
LIM-222	Liquid Impression Marker	Medium	Black	\$1.16
LIM-333	Liquid Impression Marker	Medium	Blue	\$1.16

## Permanent Impression Markers

The Permanent Impression Marker is perfect for writing, drawing, or lettering on almost any surface. The durable tip allows for extended use, while the stylish barrel features a rubber grip for writing comfort. Available in ultra-fine point for precise lines and fine point for slightly bolder lines. Ink is alcohol-based and fade and water-resistant and will not smear (allow proper drying time).

Part No.	Description	Point	Color	Price Per Each
PIF-111	Permanent Impression Marker	Fine	Red	\$ .57
PIF-222	Permanent Impression Marker	Fine	Black	\$ .57
PIF-333	Permanent Impression Marker	Fine	Blue	\$ .57
PIF-555	Permanent Impression Marker	Fine	Green	\$ .57
PIU-111	Permanent Impression Marker	Ultra-Fine	Red	\$ .57

**“Helping people with disabilities live and work in the community”**

*KETCH products are guaranteed. If there is a factory error, KETCH will issue proper credit or replacement after receipt and inspection of goods. Freight will be paid by KETCH if a factory error was made.*

The Kansas Elks Training Center for the Handicapped Inc., (KETCH) is a not-for-profit organization that provides services to adults with disabilities.

What began as a grassroots effort in 1962 by a group of parents of adult children with disabilities, is today a statewide, nationally recognized organization. Incorporated in 1964, KETCH continues to provide services to people with a wide range of disabilities.

Today, KETCH provides work services, day services, targeted case management, employment and community living services to more than 600 Kansans each year.

### **Ordering**

Written orders may be submitted by mail, e-mail or fax. Phone orders are welcome with a written purchase order to confirm order specifications. KETCH is not responsible for the accuracy of orders placed without a written confirming purchase order from the customer. Please provide a tax exempt certificate with each order.

KETCH binders also available at [www.eway.com](http://www.eway.com) or call Staples Customer Service at (888)-238-6329 (toll free).

### **Payment Terms**

Invoices are issued with a net 30-day payment term payable by check, VISA, or MasterCard. If you would like to open an account, call us at (316)-383-8770.

### **Freight**

KETCH pays the freight for dock delivery for all state use catalog customers.

### **Returned Goods**

A 20 percent restocking charge is assessed for returned goods. Freight must be pre-paid to Wichita, KS.

**KETCH offers a complete line of custom loose-leaf binders. Available in a variety of sizes and colors, KETCH binders are competitively priced and designed for durability.**

- Holds 8 1/2" x 11" paper
- Constructed of durable vinyl
- Includes inside pockets
- Special colors and textures available on request
- 100% recycled content

**Filter Media:** The filter media used on both standard and custom filters is a high performance, non-woven, synthetic fabric fully supported with an expanded metal wire grid.

**Filter Trays:** The die cut filter trays for standard filters are pearl-coated beverage board. The filter trays used for custom filters are hand-assembled from pearl-coated chip board and are supported with metal material.

**Test Results:** Pleated filters have an average dust weight arrestance of 92 percent on 1" thickness and 95 percent on 2" thickness per ASHRAE standard 52.1-1997. Pleats: 1" and 2" pleated filters have 12 pleats per linear foot.

## Standard Size Polyester and Fiberglass Air Filters

**Filter Media:** The filter media used in the manufacture of polyester filters is a synthetic fiber media that exhibits a uniform density and resilient body. The material also has higher arrestance efficiency than standard fiberglass. The media used in the manufacture of KETCH fiberglass is a new MERV 7 filter media composed of continuous filament glass fibers bonded together with a thermosetting resin.

**Filter Trays:** The material used to manufacture the die cut filter trays for standard sizes is pearl-coated beverage board. The filter trays for custom sizes are hand assembled from pearl-coated chip board and are supported with metal material.

**Test Results:** Polyester filters have an average dust weight arrestance of 79 percent on 1" thickness and 89 percent on 2" thickness per ASHRAE standard 52-76. Fiberglass filters have an average dust weight arrestance of 70 percent on 1" thickness and 80 percent on 2" thickness per supplier performance data.

Customer service hours are 8 a.m. to 4:30 p.m., Monday through Friday.

Customer service hours are 8 a.m. to 4:30 p.m., Monday through Friday.  
E-mail orders to [custserv@ketch.org](mailto:custserv@ketch.org) or visit KETCH at [www.ketch.org](http://www.ketch.org).

KETCH offers a variety of Crews Safety Glasses meeting ANSI Z94.3/Z87. Crews brand provides protection against moderate impact hazards, metal chips, particles, and sparks. Tinted lenses provide sun glare protection only and are not to be worn in welding environments. Special welding lenses provide protection from infrared rays and have the shade number stamped on each lens. **No welding lenses are offered for sale on this page.** However, those we offer through the Crews brand provide virtually 100 percent protection from ultraviolet rays. Refer to your ANSI manual or a safety specialist for proper selection as some operations may also require safety glasses and face shields, machine guards, etc.

### Crews Storm Safety Glasses

Designed for a comfortable fit, the STORM glasses feature a lightweight scratch resistant polycarbonate wrap-around lens with 99.9 percent ultraviolet protection, and ratchet-action temples with non-slip rubber head-grips.

Item Number	Style/Frame/Lens	Each	Minimum Quantity
400-0118	Crews Storm/Black/Gray	\$5.28	12
400-0119	Crews Storm/Black/Clear	\$5.28	12
400-0128	Crews Storm/Blue/Gray	\$5.28	12
400-0129	Crews Storm/Blue/Clear	\$5.28	12
400-0139	Crews Storm/Red/Clear	\$5.28	12

### Crews Prodigy Safety Glasses

Designed for a comfortable fit, the PRODIGY glasses feature a wide field of vision with temple side shields. Weighing only 1.2 ounces, this is a perfect blend of style and comfort that also provides 99.9 percent ultraviolet protection.

Item Number	Style/Frame/Lens	Each	Minimum Quantity
400-0217	Crews Prodigy/Black/Amber	\$4.22	12
400-0218	Crews Prodigy/Black/Gray	\$4.22	12
400-0219	Crews Prodigy/Black/Clear	\$4.22	12
